

Volunteer BRISBANE RIVER (Winter) RACING 2026

VOLUNTEER AND BE A PART OF THE ACTION AT THE BRISBANE RIVER (Winter) RACING SERIES

The Brisbane River (Winter) Racing Series is a Rowing Queensland initiative, delivered by the clubs for the clubs. It's a community-led series that brings everyone together through regular racing on the river, with a strong focus on participation, competition and connection across the winter season.

To make the series work each week, we rely on the support of volunteers from across our rowing community. From marshalling to timekeeping, every role plays an important part in delivering a safe and enjoyable racing environment.

This volunteer register is a simple way for clubs, parents, supporters and athletes to get involved. Whether you can help once or across multiple rounds, your contribution supports not just your club, but the success of the entire series.

If you enjoy being around the sport and want to play a part in bringing it to life each week, we encourage you to get involved.
